### Independent Auditors' Report

To the Board of Directors of  
Brahmananda Saraswati Foundation  
Fairfield, Iowa

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Brahmananda Saraswati Foundation (a Non-Profit Foundation) as of and for the years ended December 31, 2012 and 2011, which comprise the financial statements as listed in the table of contents.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brahmananda Saraswati Foundation, as of December 31, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

## Notes to Financial Statements December 31, 2012 and 2011

### Note 1 – Summary of Significant Accounting Policies

#### Nature of Operations

Brahmananda Saraswati Foundation is a Delaware non-profit corporation founded by His Holiness Maharishi Mahesh Yogi exclusively for charitable, educational, and scientific purposes. The specific purposes for which the Foundation was formed are:

1. To secure the safety and invincibility for all future life by perpetually providing support for the Vedic performances of the Vedic Pandits from the precious Vedic families of India for perpetual global invincibility.
2. To create and maintain a fund, the income from which will support the Vedic Pandits generation after generation.
3. To promote throughout the world the knowledge that life is the everlasting evolving expression of Natural Law, which administers the universe with perfect order, and to apply the Total Knowledge of Natural Law brought to light by His Holiness Maharishi Mahesh Yogi.
4. To accept, hold, invest, reinvest, and administer any gifts, legacies, bequests, devises, trusts, remainder trusts, funds and property of any sort or nature, and to use, expand, or donate the income or principle thereof for, and to devote the same to, the foregoing purposes of the Foundation.
5. To perform any and all lawful acts which may be necessary, useful, suitable, or proper for the furtherance of the accomplishment of the purposes of the Foundation.

The Foundation is exempt from Federal income tax as a Foundation described in Section 501(c)(3) of the Internal Revenue Code. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Foundation believes it is no longer subject to income tax examinations for years prior to 2009.

#### Accrual Basis

The financial statements of Brahmananda Saraswati Foundation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

#### Cash and Cash Equivalents

The Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Cash restricted for long-term purposes is excluded from cash and cash equivalents.

## Notes to Financial Statements (Continued) December 31, 2012 and 2011

### Note 1 – Summary of Significant Accounting Policies (Continued)

#### Basis of Presentation

Financial statement presentation follows the recommendations of the FASB ASC Topic 958, *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC Topic 958, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions with donor-imposed restrictions that are met within the same reporting period are reported as unrestricted revenues.

#### Course Fees Receivable and Receivables from Affiliates

The Foundation carries its course fees receivable and receivables from affiliates at cost less an allowance for doubtful accounts, when necessary. On a periodic basis, the Foundation evaluates its course fee receivables and receivables from affiliates and determines if an allowance is necessary based on history of past write-offs and collections and current credit conditions. Currently there is no allowance deemed necessary. All course fees and other receivables are receivable within one year.

#### Investments

Investments include marketable equity and debt securities and cash or cash equivalents whose use is limited to long-term purposes by donor-imposed restrictions. Investments in marketable equity and debt securities are carried at fair value with unrealized and realized gains and losses on investments reported as an increase or decrease in unrestricted, temporarily restricted or permanently restricted net assets based upon donor-imposed restrictions.

Investment income is reported in the statement of activities as unrestricted, temporarily restricted or permanently restricted revenue based upon donor-imposed restrictions. Gains and investment income that are limited to specific uses by donor-imposed restrictions are reported in unrestricted net assets when the restrictions are met in the same reporting period as the gains and income are recognized.

## Notes to Financial Statements (Continued) December 31, 2012 and 2011

### Note 1 – Summary of Significant Accounting Policies (Continued)

#### Property and Equipment

Purchased property and equipment is recorded at cost. Maintenance and repairs are charged to expense. Renewals and betterments which substantially extend the useful life of property and cost more than \$5,000 are capitalized. Depreciation has been determined based on the straight-line method over the estimated useful lives of the depreciable assets of 10 years.

#### Deferred Revenue

Deferred revenue consists of fees paid in advance to attend scheduled in-residence course for guests from outside of India, to be offered at the International Center for Maharishi Vedic Pandits at the Brahmasthan (the geographical center) of India. For \$223,430 of the total deferred revenue as of December 31, 2012, the guests have agreed that if they do not attend the courses as of specified dates, their fees will not be refunded. \$143,923 of the total must be used by guests by March 31, 2021, and \$79,507 of the total must be used by guests by March 31, 2016, or their fees will not be refunded by the Foundation.

#### Advertising

Brahmananda Saraswati Foundation uses advertising to promote its programs. Advertising costs are expensed when paid.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and revenues and expenses during the reporting period. In these financial statements, assets, liabilities, and the reported amount of revenues and expenses involve extensive reliance on management's estimates. Actual results could differ from those estimates.

#### Date of Management Review

Management has evaluated subsequent events through April 12, 2013, the date which the financial statements were available to be issued.

### Note 2 – Concentrations of Credit Risk Arising from Cash Deposits in Excess of Insured Limits

The Foundation maintains its cash balances in four financial institutions. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2012, the Foundation's uninsured cash balances total \$262,284. FDIC insurance coverage on noninterest-bearing accounts expires on December 31, 2012.

	<u>Period Ending December 31,</u>
2013	\$ 140,356
2014	56,356
2015	6,356
2016	4,237
2017	-
Thereafter	<u>-</u>
Total	\$ <u>207,305</u>

### Note 6 – Donor-Designated Endowments

The Foundation's endowment consists of funds established to support the Vedic Pandits generation after generation. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Foundation has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

### Note 7 – Fair Value of Financial Statements

In determining fair value, the Foundation uses various valuation approaches within the FASB ASC 820-10 (formerly FAS 157) fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability.

FASB ASC 820-10 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. FASB ASC 820-10 defines levels within the hierarchy based on the reliability of inputs as follows:

- Level 1 – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;
- Level 2 – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and
- Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models and similar techniques not based on market, exchange, dealer or broker-traded transactions.

Following is a description of the valuation methodologies used for instruments measured at fair value and their classification in the valuation hierarchy.

*Interest-bearing cash:* Valued at cost, which is equal to fair market value.

*Marketable equity securities and mutual funds:* Valued at the net asset value of shares held by the Foundation at year end.

### Note 7 – Fair Value of Financial Statements (Continued)

The following table presents investment assets and liabilities measured at fair value by classification within the fair value hierarchy as of December 31, 2012. As required by FASB ASC Subtopic 820-10, assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

	December 31, 2012	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Marketable equity securities	\$ 905,729	905,729	-	-
Mutual funds and fixed income	<u>1,884,035</u>	<u>1,884,035</u>	-	-
Total assets, at fair value	\$ <u>2,789,764</u>	<u>2,789,764</u>	-	-

The following table presents assets measured at fair value by classification within the fair value hierarchy as of December 31, 2011:

	December 31, 2011	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Marketable equity securities	\$ 46,202	46,202	-	-
Mutual funds and fixed income	<u>155,909</u>	<u>155,909</u>	-	-
Total assets, at fair value	\$ <u>202,111</u>	<u>202,111</u>	-	-
